

**2005 Cable TV Providers  
Infrastructure Data Request  
INFRASTRUCTURE BY AREA  
Data Request D**

Note: ☐ If the company is not providing Information/Internet access type service<sup>1</sup> at the time this mailing is received, please indicate this by checking this box and faxing the answer form to Judith Klug at 608-266-3957.

<p>Information is to reflect the status as of June 30, 2005. Where specific numbers are not available in your records, estimate your answer and indicate this by noting "EST" on the form after your answer. Please make sufficient copies of this page to accommodate answers for the areas served by your company. An electronic answer form is available on the PSC web site under <a href="http://psc.wi.gov/utilityinfo/tele/infrastructureCompetitive/infrastructureDataRequests.htm">http://psc.wi.gov/utilityinfo/tele/infrastructureCompetitive/infrastructureDataRequests.htm</a>. Answer <u>all</u> questions for each area listed.</p>			
<p><i>Note: The company service area may be defined by communities served or zip codes. Use whichever designation is more applicable. Areas of service can be grouped to maintain confidentiality of numbers.</i></p>		Area Served	Area Served
D1	<p><b>Area Served.</b> Indicate by area the number of <b>residential</b> customers your company provides with Internet broadband service via cable modem. <i>Indicate the number of residential customers.</i></p>		
D2	<p><b>Area Served.</b> Indicate by area the number of <b>business</b> customers your company provides with Internet broadband service via cable modem. <i>Indicate the number of business customers.</i></p>		
D3	<p>List the percentage of your Internet broadband customers served by:</p>		
	a. Coaxial Service		
	b. Hybrid Facilities ( coaxial and fiber facilities)		
	c. 100% fiber optics		
D4	<p>Does your company offer customers voice service using Voice over Internet Protocol (VoIP)? <i>Indicate yes (Y) or no (N).</i></p>	Y	N
D5	<p>If the answer to D4 was yes, indicate the number of customers subscribing to the voice service. <i>Indicate the number of customers.</i></p>		
D6	<p>If your Cable TV company provides voice service, do you provide this service over a private managed network or do you provide service over the existing Internet network? <i>Indicate Private (P) or Internet (I) or Other (O) if there is an alternate method of providing the voice service.</i></p>
